

## “The Voice”

### Matthew 11:15

In hearing is where we get our direction, advice, council, and correction.

Life comes with voices.

Voices lead to choices.

Choices have consequences.

If you listen to good advice or the right voice, it will lead you to success, prosperity, and peace.

If you listen to the wrong voice, it usually leads to pain and destruction in your life.

Sometimes the voice of no is not to hurt you, confine you, or hold you back, but it's to protect you and direct you.

No one likes the voice of **NO**, so we do it anyways and pay the price for it.

### John 10:1-5, 27

#### The first steps to hearing, are through Jesus.

- In order to hear His Voice, you must be on His team.

#### John 14:6

Jesus is the gate to God, Heaven, and eternal life.

- Jesus Voice is the compass that keeps us on course and speaks truth and correction.

#### John 8:31-32

You are in the seat of the voice listening to hear that perfect Voice to help you win.

#### Hebrews 6:18

### **The assurance of His Voice.**

- Gods Voice will never go against His Word.
- Gods Voice always speaks for your good.
- Gods Voice speaks the truth and the whole truth.
- Gods Voice leads to life and not destruction.

Notice what Jesus does when you know His Voice, He lets you out of the sheep pen to start walking on your own. **John 10:3**

We in this journey of life don't have to do it alone, the Voice is out in front of us guiding you as you listen.

### **How does He Speak?**

- **His Word.**
- **Prayer.** – Take time to listen.  
**Matthew 6:6**
- **Through Events** in your life.  
Always going around the same tree, not learning or listening.
- **Through Hearing the Message.**
- **That Still small Voice** in your mind and heart.

Your heart doesn't lie to you so pay attention to it. God is speaking but are you listening?
