

## Omelets Need Substance

The Word of God is the compass that points us towards Heaven.

The Word of God makes visible the hidden things of God and the dark places of the devil.

The Word of God is our foundation in which we build on and add to.

### Matthew 6:5-8

Prayer is not about how well you can pray but how well you know Him.

It's easy to pray when the lights are on you, but what about when no one is looking, or hearing.

God does not want lip service, but heart service devoted to Him.

To add flavor to any relationship it's by communicating, spending time with someone and being open and honest with them.

If prayer is really what changes things, then why aren't we praying more?

Prayer is the hitch that hooks to the train that guides you through the tunnels of life.

Prayer is where you can undress your thoughts, clean your heart, and be renewed.

### Hebrews 11:6

#### Steps to your reward.

- You must have Faith in God.
- You must Believe He exist.
- You must Earnestly Seek Him.

Rewards are the little things we sometimes take for granted.

Rewards are the surprises that happen when we least expect them.

Rewards are given because your faith, trust, and hope are in your Heavenly Father.
