

## **Omelets Start with The Egg**

October 4, 2020  
Pastor CJ Johnson – Adventure Church

The egg is the foundation of the omelets.

There is one thing I know for sure; it is impossible in humanly form to unscramble an egg.

### **Matthew 7:24-27**

With the Word of God, the world has tried to reject it, neglect it, refuse it, prove it wrong, test it, but they cannot unscramble it.

### **Matthew 5:17-20**

Our nation, world and countries may try to abolish His Word, but He has the final say.

Jesus is the living word who does not go against His Word but fulfills His Word that's His DNA.

Our government may try to close churches, denies its truth, say it's not relevant, but Gods Word stands forever, and He will accomplish what He said He would do.

Heaven will never pass because that's our permanent home, our ultimate destiny, the fulfillment of the promise, our eternal peace with Him.

Jesus makes that bold statement about Heaven and Earth to show us how determined He is in fulfilling His Word.

God's Word will be fulfilled, His promises completed and His return inevitable.

### **Isaiah 55:10-13**

God's Word will not return void or empty, it will accomplish and do what it says it will do.

No matter who wants to reject it, deny it, come against it, His Word will never ever fail or fall short.

The reason we can have joy and peace is because His Word is established forever even in these times, we are in.

If you will remain grounded in His Word and the truth of His Word, you will escape the mess of the world and receive His best.

God will follow through with His Word, you can take that to the bank.

### **Philippians 2:9-11**

There may be those who think they can remove, deny, or come against Gods Word, but their day is coming.

His Word is the anchor of our hope, peace, strength, and destiny for our lives.

### **Matthew 5:6**

We do all these diets to maintain our bodies physically, but our main course of the meal is His Word to maintain us spiritually.

### **When Reading His Word Ask Yourself Three Questions.**

- **What is it saying to me?**
- **How can I apply it to my life?**
- **How can I share it with others?**

### **Gods Diet Plan**

- **Read His Word each day.**
- **Meditate on His Word.**
- **Build each day on the truth of His Word.**
- **Don't allow unwanted voices to bring confusion to His Word**
- **Hide His Word in your heart so you don't sin against it.**
