

Vision 2021

Gods Church, Gods Vision, Gods People, working together for His glory.

Proverbs 29:18

Jeremiah 1:11 & 12

Notice what Solomon is saying, vision gives you direction, purpose, and meaning.

A church must have direction so people can follow.

A church must have a purpose of why we exist.

A church must have meaning to what you are doing.

Vision helps us as a church not to get sidetracked from our mission.

A church vision is not singular, but it is corporate with everyone working together and on the same page.

When the church works together corporately, there's nothing we as a church can't do for God.

For A Vision There Are Three Parts.

- Define the problem.
- Determine the solution.
- Why now is the time to act.

1. Define the problem.

- Our world is in need of a Savior.
- The truth needs to be made known.
- The harvest fields are ripe.
- The devil needs to be exposed, his lies, his attacks, and his weapons.
- The church needs to wake up and stop sleeping and pleasing.
- We need an outpouring of the Holy Spirit.
- We need revival in our church and in our hearts.
- We need more of God and less of ourselves and things.

2. Determine the Solution.

- We need people praying like never before.
- We need people to see the harvest fields and not themselves.
- We need to make room for the Holy Spirit to move.
- We need to teach new believers how to grow in Christ.
- We need more training on the truth of Gods Word.
- We need to let our light shine in the darkest of places.
- We need people to become hungry again for the things of God.
- We need to be the church who doesn't just say we care, but we show we care.
- We need revival.

3. Why now, is the time?

- Why now because Jesus is coming soon, and He wants no one to parish.
- Why now, our world is lost, and it can only be found through Christ in you.
- Why now, because the devil is lying, and the truth needs to be made known.
- Why now because our time is running out sooner than what we think.
- Why now because the church needs to wake up and lead by example and truth.
- Why now because God is calling His church to take a stand for Him and our country.
- Why now because it's the right thing to do.
