

Rescue 911 Part 1

When we hear sirens and see lights it makes us want to pray and worry about the people who may be involved.

The reason we are worried is because we are worried about their physical health and their wellbeing.

Matthew 9: 9-13

The Pharisees were more concerned about people of position, status, and the authority they had, instead of the sick or the lost souls.

The way we get nervous about hearing the sirens and concern for people's physical needs, we should feel that way for the unbelievers and their spiritual health.

Doctors take care of your physical needs, but Jesus takes care of our soul and spiritual needs.

Did you know that of all of Jesus parables 80% of them had a marketplace context?

Almost all of Jesus public appearances recorded in the Bible were in the marketplace.

We need to be marketplace believers, light givers, and hope shakers.

It is easy to be with other believers of like faith, the healthy, but what about the sick?

The fear of hearing sirens and seeing an ambulance is that someone might have died.

Ecclesiastes 3:1&2

A time to be born, a time to live.

A time to live, a time to die.

A time to die, and a place to go.

A place to go, and a place to live.

When we die physically, we are done here on earth, but where we go after that is up to you.

Jesus concern for all of us is where will you spend eternity or everlasting life?

When life here on earth is over there are only two choices in which we and the unbeliever will go: Heaven or Hell.

If you love and serve Jesus your last breath here on earth will be your first breath in Heaven.

The unbeliever, their last breath here on earth will be their first breath in Hell.

I Corinthians 2:9

John 14:1-4

Heaven is more spectacular than we can imagine.

The foundation is built with twelve layers of precious stones.

It has streets of fine-spun gold, a river of life, mansions created by the Architect of the Ages with your name on the door instead of the address.

Revelations 21:1-3

I can hear God saying to John: Come up, its time. I can hear God saying to us believers: come up its time.

Heaven is mentioned in 54 of the 66 books of the Bible.

In the book of Matthew alone, Jesus mentions Heaven 70 times. If Heaven is not real than the Bible is a lie.

Acts 1:11

Heaven is a real place, as Hell is a real place, and our mission is to prevent the sick from going to Hell.

Heaven is a place of reunion with those who believed, heard, and experienced a life with Christ.

Some of you, your reunion might not be complete because the sick family member or friend did not hear and make it.

It is our job to rescue those who are sick and lost in our communities, marketplaces, jobs, and world.

There will be no more funeral homes in Heaven, there will be no hospitals in Heaven.

There will be no addiction centers, there will be no more cancer, there will be no more drug problems and no more injustice.
