

Trust or Bust **Part 1**

Life is like a lot of different rollercoasters, some big and some small.

Life has a lot of twist and turns, ups and downs, speed bumps and even red lights, and green lights.

The key to every rollercoaster ride is you must trust the brakes, the straps to hold you in, and the person running the ride.

Proverbs 3:1-12

Matthew 24:35

Trust God, Trust His Word, Trust His Promises, and don't be shaken.

Peace and **Prosperity** comes when we are rooted in trusting in Gods Word, and the Character of God.

Psalms 46:10&11

Don't let everything around you get you off track with God, His Word, and His Promises.

"Be still" means, listen to His voice, and not the worlds, learn to avoid the noise.

John 16:32&33

Peace comes by trusting and knowing that God is in control even when things **seem** out of control.

Trust God during your hard times and not just during the good times.

Proverbs 3:1, "Don't forget My teachings."

- Don't forget that I am with you.
- Don't forget I am fighting for you.
- Don't forget My Word during hard times.
- Don't forget the truth of My Word.
- Don't forget the world does not honor Me.

Proverbs 3:1b “Keep My commands in your heart.”

Proverbs 3:3 “Bind them around your neck, write them on the tablets of your heart.”

When a tornado hits, everything is blown away.

When a hurricane hits, everything is all washed away.

When a fire hits, everything is all burnt up.

In storms, you lose things.

The believer who binds the Word of God to their heart and trust God will not lose in the storm.

Don't be moved by what you hear, be moved by what you know and believe, Gods Word.

Trusting God is knowing that it is almost over, God is about to win this battle, struggles, and confusion.

John 4:50

Taking Gods Word at His Word, settles any arguments, doubts, and worries. He has the final say, “Be still and know.”
